MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 7 to Contract No. HF-A-104 with Thompson Ramo Wooldridge, Inc., Los Angeles, California, [redacted] Projects CHALICE, [redacted]

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. HF-A-104 covers furnishing of Contractor's Technicians to assist FOG [redacted] with installation, maintenance and repair of equipment previously procured.

3. Amendment No. 7 provides for provisional man-month rates for the period 1 July 1959 - 30 June 1960, and adds money for [redacted] \$33,338.00 should be obligated during FY 1960 against [redacted]. By concurrence to this memorandum, the Comptroller signifies that sufficient funds are available for this obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) sec 85-507 dtd. 7/7/58) for each contract.

5. Concurrence in Amendment No. 7 to Contract No. HF-A-104 is recommended.
